MARDECO M-SERIES 8003 OFFSET FLUSH PULL

New from Mardeco, introducing the M-Series 8003 Offset Flush Pull. The M-Series Offset Flush Pull is the perfect combination of contemporary style and practicality. The timeless design is available in a range of finishes to make it the ideal addition to any modern property.

The 8003 Offset Flush Pull is designed for use with Bi-Fold Doors, Pivot Doors, Swing Doors and Sliding Doors. The Offset design provides an additional grip along one edge of the Flush Pull. The 8003 Series are handed and need to be ordered as a left-handed

[LH] or right-handed [RH] option. The Offset Flush Pull is suitable for an extensive range of timber and aluminium door thicknesses, and it comes with detailed installation instructions, templates and all fixings.

Designed in New Zealand, the innovative M-Series Offset Flush Pull reflects exactly what Mardeco is all about ... quality, design and good service. We believe in looking at our clients and ensuring that they can get the products they're looking for when they need them.
